Data Engineer (Contract 3 - 6 Months)

Making Data Speak Your Language!

We are seeking a highly skilled SQL Reporting Developer to join our team on a temporary basis to support our growing data and reporting needs. This role requires a strong technical background in SQL development, reporting, and data optimisation to ensure accurate and timely data delivery for key business decisions.

Headquartered in the United Kingdom and established over 30 years ago, the Institute, which is also a registered charity, has a global workforce of over 180 staff and net reserves of over Rupees 3 billion (30,000 lakhs).

For further information please visit www.cisi.org

You will be working in our modern premises in the heart of Colombo's bustling commercial district, in a friendly company environment where we actively encourage a healthy work/ life balance. Our Working hours are Monday to Friday, 9am to 6pm, and we are closed on Poya days.

Check out this video we made to give you a glimpse into life at CISI. Please click here

You will be responsible for:

- Develop, optimise, and maintain SQL queries and stored procedures to enhance reporting capabilities.
- Work with SQL Server, SSRS, and SSIS to build and manage business-critical reports.
- Ensure data accuracy, integrity, and performance optimisation across different systems.
- Troubleshoot and resolve complex data inconsistencies and reporting issues.
- Utilise reporting tools such as Power BI to create dashboards and data visualisations for stakeholders.
- Automate data transfers between our reporting system and Power BI to streamline reporting and improve efficiency

We are looking for talented individuals with the following qualifications, skills, and experience:
- Minimum 3-5 years of hands-on experience with SQL and stored procedures.
- Expertise in SQL Server, SSRS, and SSIS.
- Strong understanding of ETL processes and data warehousing.
- Experience with query optimisation and performance tuning.
- Proficiency in Power BI.
- Ability to manage multiple priorities independently and deliver high-quality technical solutions.

We also offer a competitive salary and a range of benefits throughout your contract period. These benefits include:

- ✓ Travel Allowance - Provided for the days you commute to the office
- ✓ Hybrid working arrangements

This is an excellent opportunity for an experienced SQL professional to make an immediate impact by improving reporting accuracy, optimising queries, and ensuring smooth data operations. If you have the technical expertise to drive efficiency in data reporting, we encourage you to apply.

Email your resume to careers@cisi.org with the position title in the subject line.
