CFPTM, CERTIFIED FINANCIAL PLANNERTM and CFP_m are certification marks owned outside the U.S by Financial Planning Standards Board Ltd ('FPSB').

Chartered Institute for Securities ('CISI') & Investment is the marks licencing authority for the CFPTM marks in the United Kingdom, through agreement with FPSB.

While holding your Certified Financial PlannerTM certification, your personal data will be shared between CISI and FPSB once per year so that FPSB may maintain an accurate record of certificate holders in order to:

- verify and validate certifications;
- send necessary outbound communications relating to the CFP certification where CISI are unable to do so;
- validate and audit licence fees owed to FPSB by CISI;
- provide data to support management reporting, accounting activity, fraud detection, financial reporting and/or inform audits.

The personal data to be shared between CISI and FPSB will be limited to: your name, your preferred correspondence address, your preferred contact number, your preferred email address, your country of residence, your employer, and your CFPTM certification identification number. Any such data transfers are subject to binding data sharing agreements between CISI and FPSB, which limits usage of your personal data to the specified purposes only and requires the highest standard of organisational and technical security to protect the integrity and confidentiality of your personal data.

The CISI reserves the right to seek independent verification of all the information supplied on this application form as part of the assessment process.

The CISI reserves the right to refuse applications where information supplied is found to be false
