

# Make your own #GrifftheGriffin Money Box

## Instructions

1. Print the money box in colour on card.
2. Color in the images printed on each side of the money box.
3. Carefully cut out the money box along the dotted lines.
4. Cut out the pink section of Griff's mouth – this will be the opening of the money box.
5. Fold along the lines inwards so that the pictures are on the outside and stick the tabs together using glue.

Congratulations! Your money box is now ready to use. Happy saving!

It's never too early to start teaching your kids the importance of saving money.

Encourage your kids to start saving for their future by making a #GrifftheGriffin money box.
